„Soft Skills“ at Europa-Institut, Sektion Wirtschaftswissenschaft der Universität des Saarlandes

Qualification Objectives: This module aims at raising student’s cultural awareness and enhancing and deepening their competences in intercultural business communication, boosting their presentation skills to become convincing and effective presenters in business contexts, comprehensively practicing soft skills needed to establish successful relationships in business.

Content: Participants will practice their intercultural and presentation skills to successfully do business in an international context. The course content will, in parts, be presented to the participants by the lecturer. Group work, panel discussions, role plays as well as seminar dialog are among the formats used to explore the different topics. Day 4 of the course will be dedicated to the participants giving a business presentation. Working on case studies will enable the participants to practice the newly acquired knowledge and put their soft skills in business to the test.

Lecturer:

Dr. Silvia Scheinert is a certified educator and technical translator and has been giving coaching and company training for technical language and communication as an independent lecturer for over 29 years.
